### Distributor Prices:

#### ESD Hand Lotion.

Ref: 7001    Size: 8oz

Static dissipating, non-greasy hand lotion which promotes softer hands and nails to help keep the skin moist for better wrist strap contact.

#### ESD General Purpose.

Ref: 2003    Size: 0.94L

Anti Static spray recommended for use on non-porous surfaces to help prevent charge generation and other static related problems.

#### Mat and Table Cleaner.

Ref: 6001    Size: 0.94L

It is the ideal cleaner for areas in which static-sensitive devices are assembled, tested, and handled, but can also be used in areas that require a mild but effective cleaner. Also for use on vinyls and rubber.

#### ESD Heavy Duty.

Ref: 2005    Size: 0.94L

Anti Static spray recommended for use on porous surfaces such as carpets to help prevent charge generation and other static related problems.
